

Thank the Lord for bringing me into this big family. I used to be an unbeliever and lived in chaos for most of my life. Since I came to the United States, due to the pressure of work, language barriers, and physical exhaustion in middle age, I feel exhausted and have no direction. By chance, I met Pastor Ren. Looking at her quiet and elegant temperament and her sunny smile, I wanted to understand what can make people so comfortable! So I came to the church on the recommendation of the pastor. When I entered the church for the first time, I couldn't help but feel as if I had come home, and when I heard the songs and looked at the holy cross, my heart warmed with emotion! I feel like I have found a direction in life. Then, under the leadership of Sister Truly, I entered the bible class, began to study the Bible, and realized that I was guilty of sin. The Lord Jesus sacrificed himself for the sins of the world, and used his precious blood to wash away our sins! So I can be reconciled to God! What a great grace this is! Ever since I learned the Bible and got to know God, my mentality has undergone a wonderful change. I feel that I have support and support in my heart. He seems to be guiding me to change myself all the time. Unconsciously, I feel that my life has become better! In the past, I was strict with my daughter, and I often had disagreements with my daughter, which would lead to unpleasantness and estrangement. I was very sad and helpless. But since I met Jesus and believed in the Lord, my daughter said I became gentle, she started to talk to me and share her happiness, we talked like friends, and happiness filled my heart because I was sure of eternal life I no longer have fear and anxiety in my heart, and I know that God is the highest and final guide of my life. In this life, I have received such a wonderful grace, and in the future, I have more hope for eternal life, and I have strengthened my faith. I love the Lord Jesus Christ, and I love the Father in heaven. I am willing to follow you forever, and you who believe in you. I want to praise you and thank you. All glory to you!
